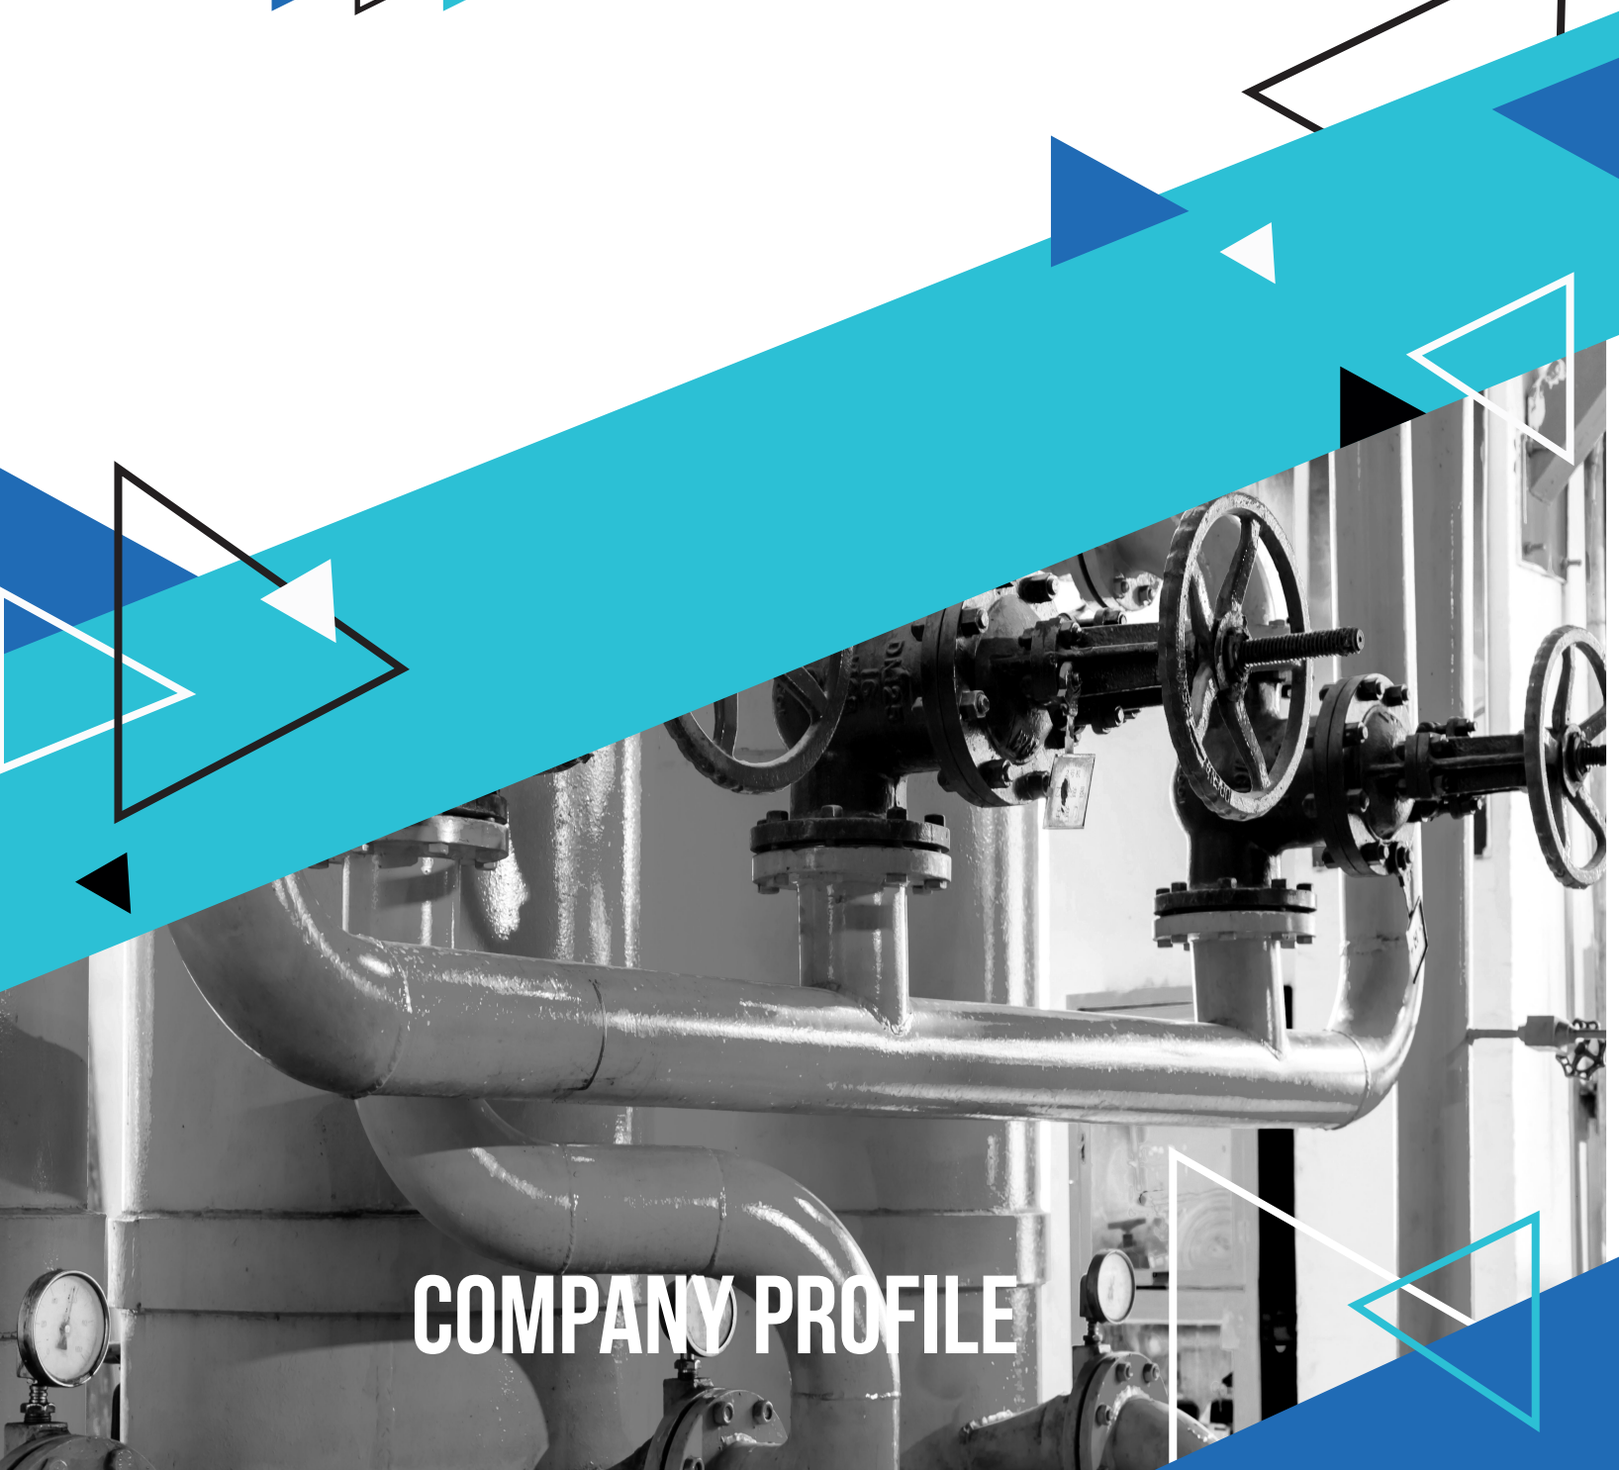
MOHSIN TRADING CO.LLC

We Sail on the Ship of Trust !



COMPANY PROFILE

VALVES

Products: Gate Valve, Globe Valve, Check Valve, Ball Valve, Wafer Type Ball Valve,Pressure Reducing Valve, Pressure Safety Valve, Double Regulating Valves, Bellow Seat Globe Valve, Dual Plate Check Valve, Diaphragm Valves,Single Plate Check Valve, Butterfly Valve .

Material Grade: SS 316/316L, CS A216 WCB, FS A105, CI, DI, Brass, Bronze .

Pressure/Standard:
6000/3000/2000/1000/600PSI || ANSI CL1500/900/800/600/300/150 || DIN PN16, JIS 5K/10K/16K

Size: 2/1" to 2" (Female NPT/SW) || 2" to 24" (Flanged End)

HIGH PRESSURE VALVES

Products: Needle Valves, Ball Valves, Check Valves, Manifold Valves, Block and Bleed Valves, Gauge Valve, Angle Needle Valve, Pressure Relief Valve.

Material Grade: Stainless Steel 316/316L

Pressure/Standard:
15000/10000/6000PSI

Size: 2/1" to 1" (Female NPT/SW)

WATER FLOW METERS

Products: Multi-Jet Type Water Meters, Woltmann Type Water Meters, Electromagnetic Water Meters,Smart Water Meters.

Material Grade: Brass with Epoxy Coated, Cast Iron with Epoxy Coated.

Size: ½" to 2" (Screwed End) || 2" to 12" (Flanged End DIN16) ANSI CL150 On Request.

SUPPORTING CLAMPS

Products: Single, Double, Twin & Multi Port as per Request (Light Series)Single, Double, Twin & Multi Port as per Request (Heavy Series)Rail, Rail Nuts (Light Series & Heavy Series)

Material Grade: Mild Steel, Stainless Steel (Top/Bottom/Bolts) Polypropylene, Aluminum, Polyamide (Refills)

Size: 6mm to 350mm

AUTOMATION VALVES

Products: Pneumatic Actuator Butterfly Valve & Ball Valve (Single Acting & Double Acting)Electric Motorized Butterfly Valve & Ball Valve (220V & 24V DC)

Material Grade: Stainless Steel 316/316L, Carbon Steel A216 WCB, Forged Steel A105, Forged Stainless Steel A182 F316/F304, Cast Iron, Ductile Iron.

Pressure/Standard: 6000/3000/2000/1000PSI || ANSI CL150 & CL300 || DIN PN16

Size: 2/1" to 2" (Female NPT/SW) || 2" to 12" (Flanged End)

HYDRAULIC PRODUCTS

Products: Control Valves, Honed Tubes, Chrome Rods, Power Take Off, Pumps, Solenoid Valves, Ball Valves, Check Valves, Tubes & Tube Fittings, Gauges, Cylinder Accessories, Hydraulic Seals, Hydraulic Hoses & Fittings, SAE Flanges.

Material Grade: Mild Steel & Stainless Steel.

Size: ¼” to 2”

GASKETS

Products: Spiral Wound Gasket, Metal Ring Joint Gasket, Non-Asbestos Gasket, Asbestos Gasket, Rubber Gasket, Teflon Gasket.

Material Grade: SS316/316/304L, Carbon Steel, PTFE Teflon, EPDM, NBR, Neoprene

Size: ½" to 60" with various thicknesses

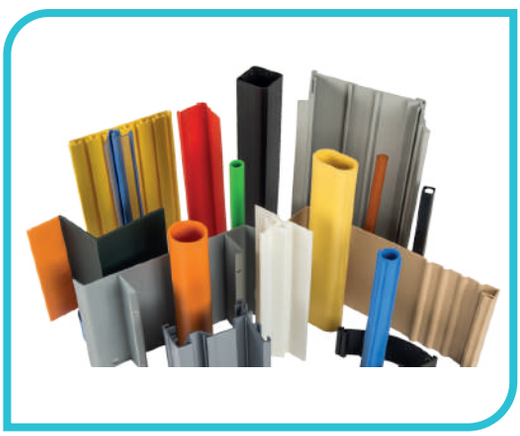
PIPE FITTINGS

Products: Elbow, Tee, Concentric Reducer, Eccentric Reducer, Slip on Flange, Weld Neck Flange,Threaded Flange, Blind Flange, Socket Weld Flange, Lap Joint Flange, Caps, Stub Ends, Coupling, Hex Nipple, Union, End Plug, Boss, Cross, Outlets, Inserts, Weldolet.

Material Grade: SS 316/316/304L, Carbon Steel A234 WPB, Forged Steel A105, Mild Iron, Galvanized

Pressure/Standard: SCH10, SCH40, SCH80, SCH160, SCHXXS (or higher as per customer request) || CL,150 15000/10000/6000/3000/1000PSI

Size: ¼" to 4" (Threaded/SW) || ½" to 24" (Buttweld End)



ENGINEERING PLASTIC

Products: Round Bar, Sheets, Glass Fabric Cloths/Tape, Molded, Extruded, Machined.

Material Grade: Nylon, Teflon, HDPE, Derlin, PVC, Hylum, POM, PP, NBR, EPDM, Neoprene

Size: 6mm to 500mm with various thicknesses
Rods (1Mtr Long), Sheets (1Mtr x 1Mtr, 1Mtr x 2Mtr)

WHO WE ARE

MTC has built its reputation as being a preferred partner with the leading vendors and established its name as a value added agent and stockist of Industrial Valves, Marine Valves,High Pressure Valves,Hydraulic & Pneumatic Valves & Fittings, Actuator Valves, Engineering Plastic & rubber Products, Pipes & Fittings etc.

With many years of demonstrated experience, contacts and association, we could assist the companies in Oil & Gas and General Engineering Industries to meet their requirement objectives by giving the best possible timely service with our quality products.

We operate from our Dubai, UAE based head-office while we stock our products in lavishly built warehouses at Rashidiya and Sharjah.

Mission with a Vision:

We at MTC, lead with the supremacy of highly technical & competitive skills. Our strength lies in proactively serving every customer with Priority, Dedication, Loyalty and Trust.With a mission to provide unique products in the field and best service through an effective system, we trust in the art of seeing things that are invisible.We visualize ourselves to be the largest supplier of all brands of Valves under our umbrella.

Quality Policy:

Our quality policy is to meet and exceed the expectations of our customers by providing quality service. Our management philosophy believes in employing the best people and to foster an environment of teamwork.We aim to enhance our service and knowledge by using the best standards of communication and excellent training to our staff, to improve their skills resulting in optimum quality management and client satisfaction.
